

Multimedia Designer

in Monaco

As a Multimedia Designer, you will be part of the Corporate Marketing team in Monaco. You will create various campaign and social media assets at global level, and, together with the Corporate Marketing Manager, you will support teams at regional level by creating the various multimedia assets they need.

Our ideal candidate has a great eye for corporate design with a creative twist, and will excel at evolving concepts, ideas and messages into compelling design. You will be passionate about new media and innovative storytelling techniques. You will be an ambassador of our visual identity, ensuring its consistency across the company. You will bring flexibility, creativity and be detail-oriented, and embrace the challenge of juggling tasks while staying on top of deadlines.

Job Responsibilities

- Evolve concepts, ideas and messages into compelling design
- Create digital assets that align with the brand guidelines (images, videos, infographics etc.)
- Create engaging social media content for different audiences and communication programs
- Create printable assets (brochures, flyers, banners)
- Work closely with the corporate team and the regional teams
- Good brand and product understanding translated into design.

Skills and Requirements

- Great at social media content creation (images, videos, animations)
- Experienced with video editing and basic motion graphics (specifically Adobe After Effects and Premiere)
- Experienced with Photoshop, Illustrator; Optional: Canva
- Likes to come up with new concepts
- Can work in a team and communicates well
- Passion for shooting videos and photos is a plus
- Fluent level of English is a must (other languages are a plus)
- Good organizational and time management skills
- Ability to manage deadlines and competing priorities.

Qualifications and experience

- Master, Bachelor or similar degree in Graphic Design / Multimedia Design
- Over 2 years relevant experience
- Social media experience is a plus
- Experience/interest in a tech environment is a plus.

Conditions

- Permanent contract
- Vacation: 25 days
- Trial period: 3 months
- Working location: 3Dconnexion Monaco Headquarter
- Salary: based on experience.
